State of Maine Guidelines

Guests that are **not** residents of Maine, New Hampshire, Vermont, New York, New Jersey or Connecticut either need to quarantine at your site or arrive with a negative Covid-19 test that was drawn within 72 hours prior to your arrival. Children (under age18) do not need to get tested, but if any adult in the party is quarantining, then so are the children. Quarantining at home prior to arriving is NOT an alternative to quarantining in Maine. Quarantining at your site means that you are not allowed to use any public facilities - this includes riding the trolley, using the pool or other recreational amenities. All guests that are **not** residents of Maine, New Hampshire, Vermont, New York, New Jersey or Connecticut must sign a "Certificate of Compliance". You are welcome to enjoy the outdoors with physical distancing, take walks, have fires at your site, order delivery from the snack bar, and you may leave the campground.
